

Travel with confidence

You can plan ahead...

Stay informed

Check train times before you travel at nationalrail.co.uk

Avoid close contact

Get your ticket online and only use our ticket offices if you have to

Please consider others and stay safe...

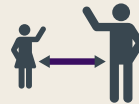

Cleanliness

Carry hand sanitiser and wash your hands before and after travelling

Behave safely

Please wear a face covering if you can

Be understanding

Respect other passengers and staff and keep your distance

Be considerate

Give priority seats or wheelchair spaces to older and disabled people who need them

We are...

Maximising space

Running more trains and making them longer where we can

Boosting cleaning

Stations and trains are being cleaned every day

Helping with hygiene

Making sure everyone can use our stations easily

Improving information

Having signs and information to help you find your way
