

Improving Your Stations – Thameslink

Below is a list of recently completed or planned station projects, most of which are funded through the Passenger Benefit Fund. Please note that detailed survey and design work may lead to changes.

For more information, please contact passengerbenefit@gtrailway.com.

We will add to this list as projects are confirmed, and we have removed schemes which, following detailed surveys, are no longer feasible. Last updated 06 April 2021

Station	Description
Beckenham Hill	Accessible signage
Beckenham Hill	Remove bollards and guard rail at road level
